

Manifesting....For Christians

I felt inspired and guided to write this mini one-page for the simple reason that many Christians believe that visualizing and manifesting are not Christian practices.

That is not true when it is done in the right way.

**“Look up at the sky and count the stars—if indeed you can count them.”
Then he said to him, “So shall your offspring be.” (Genesis 15:4)**

Manifesting is for Christians and it originated in the Bible. It is when we begin to manifest things that are totally out of God's will that we get into trouble. When we pray and we are guided to something, that is God letting us know that “Yes, it is in fact ok and even good to want this” and I want to make it clear that as long as we are keeping the eyes of our heart on Jesus, then there is nothing wrong with visualizing for the purpose of manifesting.

Visualizing is a wonderful tool that God has given each and every one of us for the purpose of guiding us and blessing us with the most amazing life He has prepared for us.

Why would we not take advantage of something amazing that He has given us?!?!
